Description

This incredible villa was built in a Liberty style in the centre of one of the most beautiful town on the lake of Italy – Stresa.

The master villa is about 800mq surrounded by 6000sq.m of private park. There is also a second house used for the guest accommodation. The property is located in a very prestigious area where all the most important villas are situated. Both buildings are completely restored under the project of talented and famous architecture who managed to save original details of the villa and make it comfortable for life at the same time.

The international airport of Milan Malpensa is 40km away. It's close to Milan, Monte Carlo, Switzerland and other main cultural and shopping centers.

More information is on request.
